Ogden, Logan & Idaho Ry. Co.

P. D. KLINE, General Manager.

## FROST HAS DONE NO SMALLPOX PATIENT SERIOUS DAMAGE TO FRUIT OVERTAKEN IN A SALOON

The storm of the week brought no frost and orchard, farm and garden have been benefited.

Speaking of the orchard situation, County Horticulturist Royal M. Rasmussen of North Ogden states that there has been no frost during the week and that there was very little during the storm of a couple of weeks ago, when considerable snow fell. In the previous storm Jack Frost nipped some of the tender apricot buds and damaged some of the grape vines in the vicinity of Pleasant View, but with that exception, Mr. Rasmussen says, no damage by frost is discernible.

The horticulturist states that the fruit crop this year will be more than normal, except apricots and apples.

The quality of the fruit will be better than in former years and the orchardists will be taxed to their capacity to gather and market the fruit.

Mr. Rasmussen contends, however, that a little frost, for thinning purposes, in the orchards of Weber county would not have been amiss in the recent and present storm, as it would have assured a better quality of fruit and a lesser quantity.

He calls attention to the heavy frost of May 20 to 25, about seven years ago, when it was estimated that 75 per cent of the fruit crop was destroyed, and yet the orchardists got better returns than in any year in the past decade.

The Alhambra Theater will open at 2 p. m. and run continuously till 11 p. m. Monday with Mary Pickford in "Fanchon, the Cricket," which starts tomorrow night.

OWLS TO MEET THE GARLAND TEAM AT END OF MONTH

Manager Chris Hansen of the local Owls baseball team has arranged to take his fast aggregation to Garland for a series of three games, on May 29, 30 and 31, with the Garland team.

The two organizations have met on several occasions with honors about evenly divided, and the games on the three days should prove good entertainment for the Garland fans.

GOOD VAUDEVILLE AT ORPHEUM TONIGHT AND SUNDAY

Marie Russell, internationally known as "the Belle of Kentucky," one of the originators of blackface comedy among women on the stage, will make her first appearance at the Orpheum as the headline act, singing some of the latest songs in a manner which only she can sing them.

Miss Russell has a style all her own in singing modern ragtime and can get more out of a song than 90 per cent of singers of her type on the stage. She appears in blackface and wears some stunning gowns. "The Honey Girls," a real Broadway musical comedy condensed into thirty minutes of fast action, with pretty girls, clever comedians, new song hits and graceful dances. This show was entirely remade before it left New York, and the company is presenting new costumes, scenery and song hits. Introducing novelties never before shown in vaudeville.

McBride and Cavanaugh, New York favorites, two of the cleverest funmakers along Broadway, assisted by a stunning aggregation of stage beauties, will furnish the fun in this newest of all musical comedies. Patrons of the Orpheum have seen a number of "girl acts" this season, but none to compare with the latest efforts of the producers.

The original Frey twins and Frey, eminent exponents of physical culture, two clean-cut, active youths and their father, will illustrate wrestling holds and grips, and present a whirlwind wrestling bout. These boys have traveled all over the world with their act during the seven years they have been presenting it in vaudeville.

Ed Warren and Toots Francis, two clever entertainers, will present a new offering in vaudeville, entitled "The Surprise Party." The musical boys, Arno and Stickney, will be a welcome number on the bill with their clever violin and piano playing.

Ray Snow, "the man about town," ever popular monologist, will present a new act, never shown before in the west.

The Keystone comedy this week is a scream to finish the show. This show runs Saturday and Sunday and is conceded to be the best road show sent out west by Marcus Loew—Advertisement.

LECTURE IN THE WEBER CLUB ROOMS

Ernest J. Sias, a lecturer of national prominence, will speak next Tuesday noon at a luncheon in the Weber club rooms, on the subject of "Community Development and Advancement."

The lecture was announced yesterday evening by Secretary Reynolds of the club, who also stated that the meeting would be in line with a custom in vogue in many large cities in the east and that, if it were a success, that other lecturers would be secured later.

No charge will be made for the lecture, the only requirement being the payment of the regular luncheon price of the club.

W. N. Duncan, an employee of the Lindsay Land and Livestock company, at its Box Elder county ranch, was taken to the isolation hospital at the Weber county infirmary this morning, after being quarantined last night at the Whipple rooming house, 355 Twenty-fourth street. Following his removal from the city, the rooming house was thoroughly fumigated by Deputy Health Inspector R. E. Shorten.

Duncan created considerable excitement before he was located and taken to the rooming house by Inspector George Shorten and Deputy Joe Wintle. He appeared at the office of Dr. E. H. Smith, complaining of illness. His case was diagnosed as smallpox, but, before the health authorities could reach the office he made his getaway. He was found in a saloon and, after informing the officials that he had a room at the Whipple rooming house, was taken there in quarantine.

The Alhambra Theater will open at 2 p. m. and run continuously till 11 p. m. Monday with Mary Pickford in "Fanchon, the Cricket," which starts tomorrow night.

ESTATE LEFT TO WINN'S RELATIVES

The assistance of Postmaster W. W. Browning has been asked in locating relatives of John Winn, in connection with the settlement of an estate in California.

According to a letter from Sidney M. Van Wick, Jr., Winn is supposed to have been located in Utah more than 50 years ago, married and reared a family. He came to Utah from New York.

GOOD BASEBALL BEING PLAYED BY THE CITY LEAGUE

The Peery-Kniskely baseball team of the City league defeated the Galco team last night in a five-inning game, by the score of 5 to 1. H. Greenwell, pitcher for the winning team, struck out 10 men and did not allow a hit, while Moulding, his opponent, struck out 5 men and allowed 3 hits. The lineup follows:

Peery-Kniskely Galcos.  
Herbert.....C.....Wolsky  
H. Greenwell.....P.....Moulding  
Roach.....1b.....Cox  
Wilkinson.....2b.....Filton  
Nixon.....3b.....Thurston  
Owens.....ss.....Mumford  
E. Stewart.....lf.....Stewart  
Farrell.....cf.....Williams  
Klenke.....rf.....Keeter

Tomorrow afternoon, beginning at 2:30 o'clock, a double-header will be played at Glenwood by four of the City league teams. In the first game, the Mall Clerks will oppose the Galcos and in the second, the Never-Rips and Wak-Overs will furnish the excitement.

The Mall Clerks' team has been completely reorganized by Manager Jack Livingston. Six new men have been signed up and from now on the Clerks expect to give the other teams of the league a good run for their money. Rounds and Herrick will take care of the receiving end of the battery and the pitchers now lined up are Brickley, Ruby, Pottor and R. Parry. Pottor is a Cuban and if he shows up as good on the mound as he did at the bat in the field in the game played Wednesday night, the batters of the other teams will have to look well to their averages. He was formerly a member of the Cuban Giants' team. Parry is a former high school star and is a southpaw.

The infield is composed of Falch at 1st base, Livingston at 2nd, Ruby at 3rd and C. Parry, shortstop, while Mourtisen, Thacker and Wright will perform in the outfield. Smurthwaite and Jones, the latter a Park City player, will be used as utility men.

WALSH RESUMES HARD SCORING

Subjects John D. Rockefeller, Jr. to Renewed Close Cross-examination.

Washington, May 22.—With only four members of the industrial relations commission present, Chairman Walsh today resumed his vigorous cross-examination of John D. Rockefeller, Jr., on his relation to the industrial warfare in the coal fields of Colorado. Mrs. J. Borden Harriman was absent.

Chairman Walsh read a letter to Rockefeller by L. M. Bowers in September, 1913, saying:

"Old Mother Jones has been on the ground for two weeks, but we understand the governor has ordered her to be taken to the state line and to be told not to return."

Walsh then read part of Rockefeller's letter to Bowers, saying he would back the mine officials in anything they did or asked if it was not written after deportations had occurred.

"Will you be kind enough to read all of my letter?" Rockefeller demanded.

"I can't do that at this time," said Walsh, "but any letter you desire to read may be submitted after I have concluded my examination."

"Then I am unable to reply intelligently to questions based on fragments of letters."

## MUTUALS TO HAVE A FIELD DAY AT ROY, MAY 31

The annual field day of the Weber Stake Mutual Improvement associations is to be held at Roy, Monday, May 31. The program will begin at 1:30 p. m. and will be carried out as follows:

Demonstrations in Boy Scout work. The use of the triangular bandage for an injury to a lower limb and the use of a stretcher in first aid work—First Ward Scouts.

Flag Signalling, Ninth ward Scouts. Scout drill, 11th ward Scouts. Use of the roller bandage in dressing an injury to the upper part of the body or head, 12th ward Scouts.

Knitting around a solid object. Fire kindling and boiling one quart of water.

Scout pace. One mile in 12 minutes.

Senior track meet, 2:30 p. m. One-hundred-yard dash, high jump, half mile run, shut put, 220-yard dash, broad jump, 440-yard run and relay race.

There will also be a number of competitive events for the young ladies and one of the main features of the day will be a baseball game between the Clinton team and a picked team from Ogden.

SERVICES AT THE M. E. CHURCH FOR THE GRADUATES

The baccalaureate services for the graduating class of the Ogden High school will be held in the First Methodist church, Sunday evening, at 8 o'clock. The Rev. W. W. Fleetwood will preach the sermon. The various churches will unite in the service. The program will be as follows:

Organ—Preludes. Miss Vera Frey Hymn.

Invocation. Rev. R. C. Waddell Scripture reading. Rev. J. E. Carver Solo. Mr. Herbert Aldridge Offertory—Organ. Miss Vera Frey Solo. Miss Ellen Thomas Hymn.

Baccalaureate sermon. Rev. W. W. Fleetwood Hymn. Benediction. Postlude—Organ. Miss Vera Frey

UHlich DEFENSE RESTS ITS CASE

Trinidad, Colo., May 22.—Robert Uhllich, labor leader on trial for the murder of Mack Powell, a cowboy during the battle of strikers and deputy sheriffs, October 9, 1913, near Ludlow, testified today that he took no part in the battle in which Powell was killed. Uhllich's testimony was brief and, after a short cross-examination, the defense rested.

## Why \$3,000,000 Capital For Mutual Creamery Company?

Because it will be required to care for the ever-widening extent of the company's business, and to enable the company to take advantage of all conditions in the various distributing markets.

The Mutual Creamery company (successor to the Jensen Creamery company) will conduct a manufacturing and distributing business in a territory with a consuming population of several millions. It will also furnish a part of the tremendous quantities of dairy and poultry products annually shipped to Alaska, Canada and the large consuming centers of the east and south.

The old charge that a giant corporation, with its millions of capital, is a menace, because it squeezes all the profits out of those who furnish it products, CANNOT be attached to the Mutual Creamery company. Sixty per cent of the capital stock of the company is reserved to be sold to producers whose products the corporation handles. This provides for all farmers to become stockholders in the "Mutual" company, and to share in all its profits.

This immense organization, with its eleven creamery plants in seven western states, will, of itself, become a great factor for public good. It will furnish employment to hundreds of people and consume all the dairy and poultry products from thousands of farms.

At present fully equipped plants of the Mutual Creamery company are being operated at Ogden and Salt Lake, Utah; Pocatello, Boise and Lewiston, Idaho; Portland and Baker, Oregon; Reno, Nevada; Seattle, Washington; Thayne, Star Valley, Wyoming; Grand Junction, Colorado. All these sections will be directly benefited through the operations of this purely "mutual" organization.

## Mutual Creamery Company

23rd St. & Wall Ave., Ogden, Utah.

C. C. Davis, Mgr.

11 Creameries in 7 States.

Authorized Capital, \$3,000,000.

Annual Butter Output, 8,000,000 Pounds.

The Alhambra Theater will open at 2 p. m. and run continuously till 11 p. m. Monday with Mary Pickford in "Fanchon, the Cricket," which starts tomorrow night.

## WORLD'S MARKETS

New York, May 22.—Indications of bullish enthusiasm were manifested in today's early stock market, the entire list except a few unimportant issues making substantial advances.

War shares were again prominent. Bethlehem Steel scoring an initial gain of 3 points in response to overnight reports that the company had been awarded additional large contracts.

Crucible Steel, Lackawanna Steel, Westinghouse and affiliated stocks rose 1 1/2 to 2 1/2 points, these increased. Investment issues like Union Pacific and Reading were in demand at gains of a point or more.

United States Steel began with 3,000 shares at a maximum gain of a point and coppers shared in the move to a like extent.

South Omaha Livestock. South Omaha, Neb., May 22.—Hogs—Receipts, 12,000; market, steady. Heavy, \$7.25@7.32 1/2; light, \$7.30@7.40; pigs, \$6.50@7.25; bulk of sales, \$7.27 1/2@7.32 1/2.

Cattle—Receipts, 12,000; market, steady. Native steers, \$7.50@8.00; cows and heifers, \$6.00@8.10; western steers, \$6.50@8.00; Texas steers, \$6.00@7.40; cows and heifers, \$5.80@7.35; calves, \$8.25@10.75.

Sheep—Receipts, 100; market, steady.

New York, May 22.—Sugar futures were firmer on a little scattered covering. The close was at a net advance of 1 to 4 points with sales of 200 tons.

Raw sugar, steady. Sales 5,000; molasses, \$4.12; centrifugal, \$4.89; refined, steady.

## Chicago Grain

Chicago, May 22.—Unfavorable domestic crop reports and higher foreign quotations gave the wheat market today an upward slant. In particular, the bulls made much of statements that late seeding throughout southern Illinois was virtually a total failure.

Notice was given that the reserve stock in Argentina had already been shipped or arranged for. The market here, after opened unchanged to 1 1/8 higher, scored material gains all around before beginning to react.

Corn strengthened with wheat. Most of trade, though, was between pit speculators. Opening prices, which varied from 1 1/8 off to 1 3/4@1 1/2c advance, was followed by a moderate general upturn.

In oats the feature was active buying on the part of the largest elevator concerns. As a result, the market had some independent firmness.

Lower prices for hogs weakened provisions. The selling, however, was not urgent.

Subsequently the gains in wheat disappeared and losses appeared owing to fresh news towards a sudden outbreak of hostilities between Austria and Italy. The close was steady at 1 1/8 to 1 1/4c under last night.

Reports of ideal crop conditions tended later to cause a sag in corn. The close was nervous, 3/8 to 3/4c under last night.

## Pierce's Products

Are always pure, always good and always ready.

In State Inspection last year, this factory was officially rated 91.2 per cent; the average for all canneries in Utah was only 82.1 per cent. The figures are official.

For purity, flavor and all-around goodness there's nothing in cans to compare with Pierce's tomatoes, pork and beans, hominy, catsups and sauerkraut.

Our selected Utah tomatoes are unexcelled!

Packed—and Backed by  
Utah Canning Co.  
Ogden, since 1888.

—cheaper by the case—your dealer sells them.
